

TCITC PUBLIC NOTICE 2010 – 2

**Re: Application For
Spectrum: UHF Frequency (470-850 MHz)**

**13 May 2010
Telecommunications Commission
Turks and Caicos Islands**

On April 23rd 2010, the Commission received an application from Cable and Wireless (Turks & Caicos) Limited (“C&W”) / LIME for authorization to use spectrum in the UHF band, that is, within the 470 – 850 MHz frequency range.

The application has specifically request exclusive use of the UHF 470 – 494 MHz block in particular, or any other contiguous block of 24 MHz bandwidth within the UHF spectrum for the purpose of digital data transmission.

The Commission hereby note that Lime application is available for public scrutiny at the office of the Commission, and any party having any comments concerning this application make their views known within 21 days of the publication of this notice in writing delivered by hand to the Commission at their office at The Business Solution Complex, Leeward Highway, Providenciales, Turks and Caicos Islands or by mail to P.O. Box 203, Providenciales, Turks and Caicos Islands or electronically via email at consultation@tcitelecommission.tc on or before 3.30 p.m. 3 June 2010. All submissions should be filed electronically even if also filed in paper form.
