**Re: Digicel (Turks and Caicos Ltd.) Application  
For the Use of Radio Spectrum  
In the 2.3 and 3.5 GHz Range**

**16 July 2008**

**Telecommunications Commission  
Turks and Caicos Islands**

On November 1, 2007, the Commission received the attached application from Digicel Turks and Caicos Ltd. (Digicel), seeking permission to utilize additional spectrum in the 2.3 and 3.5 GHz range, aiming at the introduction of a point-to-multipoint network in Turks and Caicos Islands.

The Commission notes that it has issued Public Notice TCITC Public Notice 2008 – 1, relating to opening of the 3400 to 3600 MHz spectrum, the results of which may touch on this application, and a related one covered in TCITC Public Notice 2008 – 2 relating to the introduction of a variety of new wireless and fixed line services.

The Commission invites comments on this application from interested parties, and notes that it may have interrogatories of its own to submit to the company on its application. Interested parties may make submissions on this application in writing delivered by hand to the Commission at their office at The Business Solution Complex, Leeward Highway, Providenciales, Turks and Caicos Islands or by mail to P.O. Box 203, Providenciales, Turks and Caicos Islands or electronically via email at [consultations@tcitelecommission.tc](mailto:consultations@tcitelecommission.tc) on or before 3.30 p.m. 16 August 2008. All submissions should be filed electronically even if also filed in paper form.
