**Re: Digicel (Turks and Caicos Ltd.) Application
For Approval to Offer
Fixed Wireless Telephony Services**

**13 November 2008
Telecommunications Commission
Turks and Caicos Islands**

On November 7, 2008, the Commission received the attached application from Digicel Turks and Caicos Ltd. (Digicel), seeking permission to begin offering fixed wireless telephony services.

The application proposes to utilize the company's existing GSM network and assigned spectrum to provide connections to fixed terminals for residential and commercial customers throughout the Turks and Caicos Islands commencing immediately upon approval of the licence. The Commission notes that in this redacted version of the application, certain information has been deleted, as marked by a series of XX's.

The Commission invites comments on this application from interested parties, and notes that it may have interrogatories of its own to submit to the company on its application. Interested parties may make submissions on this application in writing delivered by hand to the Commission at their office at The Business Solution Complex, Leeward Highway, Providenciales, Turks and Caicos Islands or by mail to P.O. Box 203, Providenciales, Turks and Caicos Islands or electronically via email at consultation@tcitelecommission.tc on or before 3.30 p.m. 13 December 2008. All submissions should be filed electronically even if also filed in paper form.
